### Let's Start!

Let's go visit the Chocolate Factory! It's a magical place!

### Learning Outcome

Accurately use information about directions to places in a limited range of social situations.

### Can Do Statements

- I can talk about food.
- I can tell someone where something is located.
- I can talk about places in a building.

### Ask your partner:

- What kind of guided tours are there in your city?
- Do you prefer to discover places on your own or on a guided tour? Why?

## Let's Explore!

The visit to Giovanelli's Chocolate Factory is fascinating! Let's find out more about making chocolate!

*Instructions: Read the text aloud.*

- Steve:** Good morning! Welcome to our factory tour. My name is Steve and I am here to tell you how we make our world-famous chocolate.
- Vanessa:** This is exciting! Where do we begin?
- Steve:** Let's start at the cleaning facility. Straight ahead, please. First, we clean, roast and shell the bitter cocoa beans. Then we heat and grind the beans to produce a thick, dark paste.
- Vanessa:** Where do you do this?
- Steve:** Right next door. Follow me, please. This mixture becomes chocolate. We then pour the mixture into molds.
- Vanessa:** Do you have different molds?
- Steve:** Of course. The packaging room is down the hall. Here are some of our designs. Please feel free to taste some. Be careful! You may not be able to stop! The gift shop is right beside the exit!

## Let's Practice!
